After a best-faith effort to solicit opinions from Stakeholders, the Council will make recommendations to the City that enhance our quality of life. In all its meetings and correspondence, the Council will solicit Stakeholders' ideas and will promote free expression of opinions. It will listen attentively to ideas for improving our community and to concerns over actions and events which may negatively impact our community. The Council will serve as an advocate for the northern Granada Hills community within City government. The GHNNC will not discriminate in any of its policies, recommendations or actions against any individual or group on the basis of race, religion, color, creed, national origin, ancestry, sex, sexual orientation, age, disability, marital status, income or political affiliation.
