AGENDA

*Joint meeting of the Emergency Preparedness Subcommittee and the GHNNC Board**

1. Call to order and introductions
2. Announcements
3. Comments from public officials and government/agency representatives**
4. Public comment on non-agenda items**
5. Report on the Neighborhood Council Emergency Preparedness Alliance meeting
6. Find Your Way Out

Buildings fallen down, street signs gone, familiar landmarks gone. How will you get around after a major earthquake? Yes, bicycle is one way, walking another, but how will you know how to go where you want to go? Come learn the basics of map navigation with compass (real, not the one on your phone!). Chris Pulos, map & compass subject matter expert, co-coordinator for LAFD CERT B12, Marine Corps and Air Force veteran, and instructor for many subjects at North Valley Military Institute (the same folks that will be processing your check-in and/or registration at the Valley Disaster Preparedness Fair) will show us how to navigate with just a map and a compass. If you have a magnetic compass, please bring to the meeting.

7. Request from Committee members and members of the public to add items to a future agenda for the Emergency Preparedness Committee.
8. Adjournment.
